

REMARKS

Upon review of the allowed application, a typographical error was noticed in claim 22. Namely, "as claimed in 11" should have been "as claimed in claim 11". In this amendment, claim 22 has been amended to correct this error. This amendment could not be made earlier because the error was not previously noticed by either the Applicants or the Examiner. Entry of this amendment requires no substantial amount of additional work on the part of the Examiner, since it is directed to the correction of an obvious error which does not affect the scope of the claims. Accordingly, entry of this amendment is appropriate in accordance with MPEP 714.16.

Favorable consideration is respectfully requested.

Respectfully submitted,

Michael Tobias
